

**CURRICULUM VITAE**  
**HELENA JEANNE CHAPMAN, MD, MPH, PhD**

2111 Jefferson Davis Hwy #312N, Arlington, VA 22202  
352/359-9736 / [hjchapman@gmail.com](mailto:hjchapman@gmail.com)

Language proficiency: English (native), Spanish (fluent in reading, writing, speaking), French (basic)

**EDUCATION**

---

- 2016 **Doctor of Philosophy in Public Health** (Emphasis in Environmental and Global Health/One Health)  
University of Florida (UF), Gainesville, Florida  
Dissertation title: Adherence to tuberculosis infection control measures: Addressing the “knowledge-action” gap among healthcare workers in the Dominican Republic
- 2010 **Doctor of Medicine**  
Iberoamerican University (UNIBE), Santo Domingo, Dominican Republic (DR)
- 2005 **Master of Public Health** (Emphasis in Epidemiology; Minor in Gerontology)  
University of Florida, Gainesville, Florida
- 2003 **Bachelor of Science** (Emphasis in Integrative Biology)  
University of Florida, Gainesville, Florida
- 2001 **Associate of Arts** (Emphasis in Biology)  
Santa Fe College, Gainesville, Florida

**ACADEMIC WORK EXPERIENCES**

---

- 2017–2018 *Executive Branch Fellow* for American Association for the Advancement of Science (AAAS) Science & Technology Policy Fellowship: Applied Sciences Program, Earth Sciences Division, National Aeronautics and Space Administration (NASA), Washington DC. Mentor: John Haynes.
- 2017 *Fellow* for Christine Mirzayan Science & Technology Policy Graduate Fellowship Program (12-weeks): Board on Population Health and Public Health Practice, Health and Medicine Division, National Academies of Sciences, Engineering, and Medicine, Washington DC. Mentor: Dr. David Butler.
- 2013–2016 *Graduate Research Assistant*: Southeastern National Tuberculosis Center (SNTC), UF Department of Medicine, Division of Infectious Diseases and Global Medicine, Gainesville, FL. Mentor: Dr. Michael Lauzardo, Chief.
- 2012–2013 *Graduate Teaching Assistant* for PHC6313 Environmental Health Concepts: UF College of Public Health and Health Professions, Department of Environmental and Global Health, Gainesville, FL. Professor: Dr. Tara Sabo-Attwood, Chair.
- 2011–2012 *Coordinator of Community Service Activities*: UNIBE School of Medicine, Santo Domingo, DR.
- 2011–2012 *Adjunct Professor* for M12-280 Problem-Based Learning (English, Spanish) and M12-380 Preventive Medicine and Public Health (English): UNIBE School of Medicine, Santo Domingo, DR.
- 2011–2012 *Instructor* for Online Diploma in Primary Care/Public Health, by Inter-American Development Bank: UNIBE School of Medicine, Santo Domingo, DR.
- 2011–2012 *Coordinator of Academic Activities / Internship in Scientific Research*: Centers for Diagnosis, Advanced Medicine and Telemedicine (CEDIMAT), Santo Domingo, DR. Mentor: Dr. Eddy Pérez-Then, Director of Department of Knowledge Management.

- 2007 *Graduate Teaching Assistant* for PRM100 Introduction to Anatomy and Physiology (Spanish): UNIBE School of Medicine, Santo Domingo, DR. Professor: Dr. Marcos Núñez Cuervo, Dean.
- 2004–2005 *Coordinator of Public Health Team* to conduct baseline assessments on tuberculosis knowledge and practices in DR, Ecuador and Haiti: UF College of Public Health and Health Professions, Gainesville, FL. Mentor: Dr. Ellen López, Assistant Professor.
- 2004–2005 *Coordinator of Preventive Medicine Rotation* for DR HELP (Dominican Republic Healthcare Education Language Partnership) outreach clinic: UF College of Medicine, Gainesville, FL and Jarabacoa, DR.
- 2004–2005 *Research Health Science Specialist* for research grant, “Culturally sensitive models of stroke recovery and caregiving after discharge home”: Veterans’ Administration Medical Center, Rehabilitation Outcomes Research Center, Gainesville, FL. Mentor: Dr. Maude Rittman, Principal Investigator.
- 2003–2004 *Graduate Research Assistant* for research grant, “Culturally sensitive models of stroke recovery and caregiving after discharge home”: Veterans’ Administration Medical Center, Rehabilitation Outcomes Research Center, Gainesville, FL. Mentor: Dr. Maude Rittman, Principal Investigator.

---

### **INTERNATIONAL HEALTH LEADERSHIP**

- 2012–2015 **IFMSA-Dominican Republic (Organización Dominicana de Estudiantes de Medicina, ODEM)**  
*National Advisor* (2013–2015), *President* (2012)  
\*Experiences: Founding member of national DR medical student (non-governmental) organization that promotes leadership, collaborations for health/research programs, publications and clinical exchanges with the International Federation of Medical Students’ Associations (IFMSA). Officially voted as IFMSA candidate member at IFMSA August Meeting 2012 in India, and IFMSA full member at IFMSA August Meeting 2015 in Macedonia. In summary, more than 100 DR medical students have completed 100 national projects on preventive medicine, organized 11 national conferences, supported 12 members to attend 6 international conferences, and published more than 75 articles in 7 international journals.

---

### **CLINICAL AND PUBLIC HEALTH TRAINING EXPERIENCES**

- May 2015 *Clinical/Epidemiological Training in Tuberculosis*, “Pedro Kouri” Tropical Medicine Institute, Havana, Cuba (120 hrs):  
\*Experiences: Received lectures in historical development of the National Tuberculosis Program in 1962 in universal health care system that focused on primary care; epidemiological trends in TB case notification, mortality and drug-resistant strains; innovative measures in interdisciplinary teamwork in TB control that integrate social sciences, laboratory and clinical medicine; current laboratory techniques to identify presence of *M. tuberculosis* in patient specimens and identify drug-resistant strains. Rotated at multiple municipal and provincial health centers, including polyclinics and hospitals (Hospital Neumológico Benedito Jurídico, Hospital Hermanos Ameijeiras).
- Mar 2015 *Training-of-Trainers Workshop, Participatory Training for Adult Learners*, University of Florida, Tropical Conservation and Development Program, Gainesville, FL.
- Mar 2014 *Immersion in the Cuban Primary Healthcare System*, American Public Health Association (APHA)/Medical Education Cooperation with Cuba (MEDICC), Havana, Cuba.
- Oct 2013 *Comprehensive Clinical Tuberculosis Course*, Curry International Tuberculosis Center, Gainesville, FL.
- Feb 2011 *Clinical Cardiology Training Program*, University of Miami, Gordon Center for Research in Medical Education, Miami, FL:  
\*Experiences: Received lectures on EKG, diagnosis and management of various cardiovascular diseases and bedside examination skills. Worked in small-group sessions on “Harvey,” the Cardiopulmonary Patient Simulator, and interactive self-learning sessions on UMedic multimedia computer curriculum to advance knowledge and skills on bedside diagnosis of cardiology disease states.

- Jun 2010 *Essential Aspects of Bioethics in Clinical Research*, Pediatric Research Institute, Santo Domingo, DR.
- Jul 2008 *Management and Interpretation of Data in Clinical Investigations*, Pediatric Research Institute, Santo Domingo, DR.
- Dec 2007 *Current Clinical Therapeutics for Infectious Diseases*, “Pedro Kourí” Tropical Medicine Institute, Havana, Cuba.

---

## COMMUNITY TRAINING EXPERIENCES

---

- 2014–2016 **Machen Florida Opportunity Scholars Academy of Leadership (FOSAL), UF, Gainesville, FL:**  
*Mentor*: Served as an active mentor in the health sciences discipline to three annual multi-cultural cohorts of 6 first-generation college students in this 11-month undergraduate program. FOSAL program objectives relate to leadership development, career preparation, self-awareness, and global citizenship awareness.
- 2008–2012 **Shriners Hospitals for Children, Annual Orthopaedic Clinic and Prosthetics, Santo Domingo, DR:**  
*Spanish-English Language Medical Translator*: Translated (100 hrs) for 6 Shriner’s Hospital Orthopaedic faculty and patients in follow-up or first-time appointments. Coordinated team of 23 UNIBE medical students to serve as Spanish-English translators at May 2012 clinic.
- 2012 **Iberoamerican University (UNIBE), Santo Domingo, DR:**  
*Coordinator*, “Aging and Health” community event: Coordinated collaboration among 3 DR medical schools and 60 medical students to present poster expositions and seminars about aging at National Book Fair.  
*Coordinator*, “World Health Day: Aging and Health”: Coordinated collaboration between 4 medical schools and 6 university departments (Medicine, Dentistry, Psychology, Library, Cafeteria, Gym) to present educational posters about aging and screen for blood pressure and anthropometric measures.  
*Coordinator*, “International Women’s Day”: Coordinated medical student team to present interactive presentations on breast/cervical cancer to 50 medical students in academic classes. Led evidence-based group discussion on social determinants of health and health disparities in breast/cervical cancers.
- 2007–2011 **Iberoamerican University (UNIBE), Santo Domingo, DR:**  
*Medical Committee Coordinator*, Annual Dental-Medical Community Outreach Clinic: In collaboration with 25 dental students/faculty, coordinated team of 10 medical students/faculty for rural outreach primary care consultations in Bonao, Monte Plata, Los Alcarrizos, Villa Mella, and Manoguayabo.  
*Coordinator*, “Annual Health Day to Veranitos Youth Summer Program”: Coordinated team of 27 medical students to educate 225 adolescents on basic first aid; risky behaviors; rotavirus/influenza infections; adequate nutrition and physical exercise; sun exposure and conflict resolution techniques.
- Rotary Club, San Francisco de Macorís, DR:**  
*Spanish-English Language Medical Translator*, Rotary Club Health Outreach Clinic: Translated (6 hrs) for US Visiting and Dominican Rotary Club teams and 25 patients from San Francisco de Macorís. Conducted brief patient histories on patients, assisted in fitting of prosthetic devices for upper extremities with below elbow amputations and developed action plans for medical follow-up.
- 2011 **Iberoamerican University (UNIBE), Santo Domingo, DR:**  
*Coordinator*, “Health Message for Christmas for Orphanage”: Coordinated team of 22 medical students to collect school supplies and share positive health messages to adolescent girls.  
*Coordinator*, “Health Week for Noncommunicable Diseases”: Coordinated collaboration between 5 university departments and 44 health professional students to present poster expositions on diabetes and chronic obstructive pulmonary disease.

- 2010 **Universidad Autónoma de Santo Domingo (UASD)/Iberoamerican University (UNIBE), Santo Domingo, DR:**  
*Coordinator*, “UNIBE-UASD Health Week”: Coordinated third UASD-UNIBE team of 77 medical, psychology and dental students to present poster exhibitions about risk factors of obesity and metabolic syndrome; educate about preventive strategies for healthy lifestyle; and provide screening for blood pressure and anthropometric measures.  
*Coordinator*, “UNIBE-UASD Tuberculosis Awareness Week”: Coordinated second UASD-UNIBE team of 48 medical and psychology students to present poster exhibitions about tuberculosis.
- Operational Medical Institute (OPI) at Harvard Medical Faculty Physicians, Fond Parisien, Haiti:**  
*Team Member*, Haiti Rescue: In team with Harvard-affiliated physicians from OPI, implemented (1) iPhone application to electronically document Haitian patients at Fond Parisien field hospital and register new patient arrivals from Hospitals in Jimaní, DR, USS Comfort and local Haitian communities; (2) child protection module (submitted to UNICEF) to document minors and guardian contact information.
- 2008 **Iberoamerican University (UNIBE), Santo Domingo, DR:**  
*Coordinator*, “Practicum on Anatomical Models for Physical Diagnosis”: Organized 3 practicum sessions for 130 medical students with specialists for physical exam training on breast, eye and rectal anatomical models for 130 medical students.
- Universidad Autónoma de Santo Domingo (UASD)/Iberoamerican University (UNIBE), Santo Domingo, DR:**  
*Coordinator*, “Beware of Infectious Diseases”: Coordinated first UASD-UNIBE team of 22 medical students to present poster exhibitions about dengue, leptospirosis, lymphatic filariasis and malaria.
- 2007 **Iberoamerican University (UNIBE), Santo Domingo, DR:**  
*Team Member*, UNASOL Medical Outreach Clinic for Affected Communities of Tropical Storm Noel/Olga: Worked with supervising physicians/nurses in acute diseases post-flood to community of Sabana Perdida, DR. Coordinated team of 5 medical students to conduct educational sessions on common infectious diseases (water, vector-borne) post-hurricane/flood.  
*Coordinator*, “UNIBE World Health Day”: Coordinated team of 100 medical, psychology and dental students to educate students, professors and employees about the importance of balanced nutrition and regular physical activity through interactive seminars and blood pressure screening.
- 2006 **Iberoamerican University (UNIBE), Santo Domingo, DR:**  
*Co-Coordinator*, WHO/USAID Rubella/German Measles Vaccination Campaign: Worked with 100 medical, psychology and dentistry students to vaccinate over 4,300 persons (ages 7-39).
- Hospital Dr. Salvador B. Gautier Hospital / Hospital Dr. Luis E. Aybar, Santo Domingo, DR:**  
*Extracurricular Rotation*: Completed additional clinical experiences in local public hospitals to complement basic science curriculum. Attended and participated in ward rounds, surgical procedures and emergency care in plastic/general surgery (51 hrs) and surgical emergency room (34 hrs).
- 2002–2005 **Helping Hands Medical Clinic, Gainesville, FL:**  
*Clinical Volunteer*: Completed intake interviews and medical histories for homeless clients. Communicated with patients on health promotion and understanding community health and social resources. Distributed donated bags of hygiene items.
- 1995–2005 **Veterans Administration Medical Center (VAMC), Gainesville, FL:**  
*Clinical Volunteer*: Worked in Nursing Home/Psychiatry, where led social activities and interventions in Recreation Therapy. Transported patients to activities and supervised their participation in the social environment. Worked in Medical/Surgical/Cardio-Thoracic Intensive Care Units, where performed administrative tasks and bedside supply restocking. Assisted nurses and health technician with basic patient care in critical care and death. (1,258 hrs)

## HONORS AND AWARDS

---

- 2017 “Orgullo UNIBE” Alumni Award, UNIBE
- 2016 Outstanding Young Alumna, Department of Epidemiology, UF College of Public Health and Health Professions Delegate, 2016 Millennial Health Leaders Summit, Centers for Disease Control and Prevention
- 2015 Outstanding Diversity Research Award, Diversity Day, UF College of Public Health and Health Professions Research Award, Research Day, UF College of Public Health and Health Professions
- 2014 Public Health Service Award, UF Environmental and Global Health
- 2013 Student Health Activist Honorable Mention Recipient, American Medical Student Association Plenary Team Secretary, International Federation of Medical Students’ Associations
- 2012 Grinter Fellowship (3-year), UF Graduate School
- 2011 Delta Omega, Honorary Society in Public Health, UF Beta Upsilon Chapter
- 2010 Best Poster, ADOFEM Dominican Republic National Medical School Conference IV
- 2007 Best Poster, Global Health Education Consortium (GHEC) Annual Conference
- 2005 Student Health Educator of Year, Florida Association of Professional Health Educators  
1<sup>st</sup> Annual MPH Exemplary Student Award, UF College of Public Health and Health Professions  
1,200-Hour Voluntary Service, Veterans Administration Medical Center
- 2004 Sigma Phi Omega, National Academic Honor/Professional Society in Gerontology, UF Delta Iota Chapter
- 2003 President’s Student Service Award: In Recognition of Outstanding Community Service
- 2002 Disabled American Veteran National Commander’s Volunteer Scholarship (\$5,000)
