“One Health is the collaborative efforts of multiple disciplines working locally, nationally, and globally to attain optimal health for people, animals, plants and our environment.”

One Health Initiative Website NEWS:

http://www.onehealthinitiative.com/

The autonomous pro bono One Health Initiative website has been operational since October 1, 2008. Since then the website has received over 257,150 visits from 136 countries (currently averages over 120 countries monthly) including the U.S., Australia, Canada, United Kingdom, and others (see below). Numerous inquiries and comments have been received from several nations via physicians, veterinarians, allied health professionals, medical and veterinary medical scientists, students and others. As of November 30, 2011 there are 615 listed One Health individual supporters worldwide. Our current e-mail distribution list of approximately 905 individuals is from 55 countries, including: United States, Argentina, Australia, Bangladesh, Bahrain, Belgium, Belize, Benin, Bolivia, Bosnia and Herzegovina, Brazil, Canada, China, Colombia, Costa Rica, Croatia, Democratic Republic of Congo, Egypt, Ethiopia, France, Germany, India, Indonesia, Israel, Italy, Japan, Kazakhstan, Kenya, Malta, Mexico, Mongolia, The Netherlands, New Zealand, Nepal, Nigeria, Norway, Pakistan, Portugal, Puerto Rico, Rwanda, Saudi Arabia, Sierra Leone, Senegal, South Africa, Sri Lanka, Sudan, Thailand, Turkey, United Arab Emirates, United Kingdom, Uruguay, Viet Nam, Switzerland, Sweden and Grenada, West Indies.
The preparers of this message and the two lists act independently of any other entity or organization; however where feasible we attempt to augment and support those organizations’ efforts to recognize, promote and implement this initiative such as the American Veterinary Medical Association, American Medical Association, Society for Tropical Veterinary Medicine, Croatian Society for Infectious Diseases, American Society of Tropical Medicine and Hygiene, World Association of Veterinary Laboratory Diagnosticians, Delta Society, American Association of Veterinary Laboratory Diagnosticians, American Phytopathological Society, Association of American Veterinary Medical Colleges, Association of Schools of Public Health, American Society for Microbiology, National Association of State Public Health Veterinarians, Council of State and Territorial Epidemiologists, Association of Academic Health Centers, Association of American Medical Colleges, Immuno Valley Consortium in The Netherlands, Indian Veterinary Public Health Association, Italian Society of Preventive Medicine, The Institute for Preventive Veterinary Medicine and Food Safety [Lasio and Tuscany Regions Italy], the Corporation Red SPVet [Bogota, Colombia], American College of Veterinary Pathology, United States Animal Health Association, American Nurses Association, Federation of Veterinarians of Europe (FVE), Conservation through Public Health (CTPH), American College of Veterinary Preventive Medicine, and American Animal Hospital Association.
