“One Health is the collaborative efforts of multiple disciplines working locally, nationally, and globally to attain optimal health for people, animals, plants and our environment.”

One Health Initiative Website NEWS:
http://www.onehealthinitiative.com/
The autonomous pro bono One Health Initiative website has been operational since October 1, 2008. Since then the website has received over 366,600 visits from 152 countries (currently averages about 140 countries monthly) and currently averages well over 360 individual visits daily including the U.S., Canada, United Kingdom, Australia and others (see below). Numerous inquiries and comments have been received from several nations via physicians, veterinarians, allied health professionals, medical and veterinary medical scientists, students and others. As of September 30, 2012 there are 677 listed One Health individual supporters worldwide. Our current e-mail distribution list of approximately 980 individuals is from 57 countries, including: United States, Argentina, Australia, Bangladesh, Bahrain, Belgium, Belize, Benin, Bolivia, Bosnia and Herzegovina, Brazil, Canada, China, Colombia, Costa Rica, Croatia, Czech Republic, Democratic Republic of Congo, Egypt, Ethiopia, France, Germany, India, Indonesia, Israel, Italy, Japan, Kazakhstan, Kenya, Malta, Mexico, Mongolia, The Netherlands, New Zealand, Nepal, Nigeria, Norway, Pakistan, Portugal, Puerto Rico, Rwanda, Saudi Arabia, Sierra Leone, Senegal, South Africa, South Korea, Sri Lanka, Sudan, Thailand, Turkey,
United Arab Emirates, United Kingdom, Uruguay, Viet Nam, Switzerland, Sweden and Grenada, West Indies.

The preparers of this message and the two lists act independently of any other entity or organization; however where feasible we attempt to augment and support those organizations’ efforts to recognize, promote and implement this initiative such as American Academy of Pediatrics, American Association of Veterinary Laboratory Diagnosticians, American Association of Wildlife Veterinarians, American College of Veterinary Microbiologists, American College of Veterinary Pathologists, American College of Veterinary Preventive Medicine, American Medical Association, American Nurses Association, American Physiological Society, American Phytopathological Society, American Society for Microbiology, American Society of Tropical Medicine and Hygiene, American Veterinary Medical Association, Association of Academic Health Centers, Association of American Medical Colleges, Association of American Veterinary Medical Colleges, Association of Schools of Public Health, Auburn University’s College of Veterinary Medicine, Auburn, Alabama (USA), Bella Moss Foundation, United Kingdom Biomedical Technology, Epidemiology and Food Safety Global Network: Brno, Czech Republic, CAB International (CABI) http://www.cabi.org, College of Veterinary Medicine and Biomedical Sciences, Texas A&M University (USA), Conservation through Public Health (CTPH) - http://www.ctphp.org/index.php, Corporation Red SPVet, Bogota-Columbia, Council for Agricultural Science and Technology (CAST), Council of State and Territorial Epidemiologists, Croatian Society for Infectious Diseases, Delta Society, Department of Molecular and Comparative Pathobiology, Johns Hopkins University School of Medicine, Exuberant Animal, Federation of Veterinarians of Europe (FVE), Global Alliance for Rabies Control, Immuno Valley Consortium in The Netherlands, Indian Veterinary Public Health Association, Institute of Tropical Medicine, Department of Animal Health, Antwerp, Belgium, Italian Society of Preventive Medicine, National Association of State Public Health Veterinarians, National Environmental Health Association (NEHA), National Park Service (USA), New Zealand Centre for Conservation Medicine (NZCCM) – Auckland, Nigerian Biomedical and Life Scientists, Nigerian Veterinary Medical Association, One Health in Epidemiology, Massey University, New Zealand, Praecipio International, SAPUVET III Project, Silent Heroes Foundation, Society for Tropical Veterinary Medicine, SpayFIRST, Inc., State Environmental Health Directors, United States Animal Health Association (USAHA), Veterinarians without Borders/ Vétérinaires sans Frontières – Canada, Veterinarni Medicina, the international journal for biomedical and veterinary sciences http://vetmed.vri.cz/, Volunteers for Intercultural and Definitive Adventures (VIDA) - www.vidavolunteertravel.org, WILDCOAST/COSTASALVAJE http://www.wildcoast.net/, World Association of Veterinary Laboratory Diagnosticians, and Zoonotic and Emerging Diseases, Edinburgh, UK.
